

Join the Scribbles Family

At Scribbles, we are expanding our family and making new friends every day. We are always delighted when some of those new faces are referred to us by the happy families of our existing students. In fact, we consider those referrals the highest compliment and honor. It is no surprise, though, that many of our students come to Scribbles as the result of a personal recommendation. After all, what better way to learn about our school and our programs than to hear about them from a good friend!

Refer-a-Friend Program

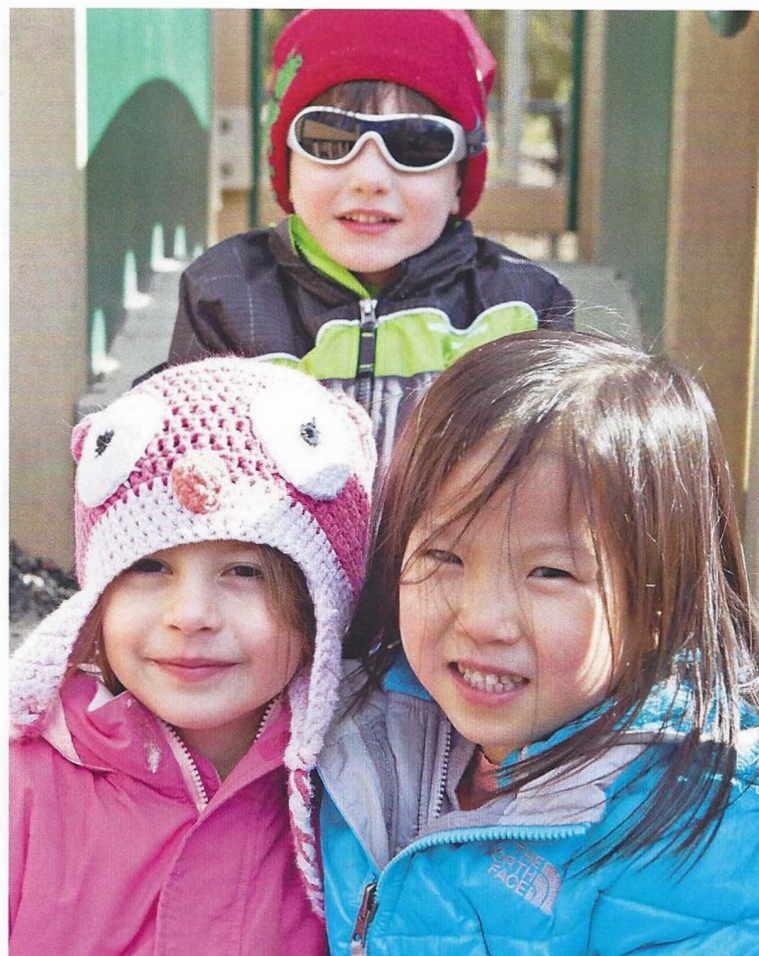

Do you know someone who might like to attend Scribbles? Refer a friend to Scribbles preschool and upon the new student's registration, both the new student and referring family will receive a \$100 tuition rebate!

How does it work?

- Pass this flyer along to your friend or family member* along with a welcome packet obtained from the Directors.
- Simply detach the bottom portion and include it in the new student registration.
- Upon registration, both the new student and referring family will receive a \$100 tuition rebate!

The refer-a-friend tuition rebate program is our small way of saying thank you for helping us grow the Scribbles family!

** Refer-a-friend program does not apply to siblings.*

Refer-a-Friend

Detach this section and include it with your registration payment for a \$100 tuition rebate!
